# Capital Campaign

Our three-year Capital Campaign concluded on December 31, 2015. While we did not reach our goal of \$200,000 or complete our list of priority projects, we accomplished a great deal to protect our property and improve personal safety:

- New ramps and railings at all three entrances to our church
- New windows in the education building and parsonage
- Mold abatement and drainage systems in the parsonage and sanctuary
- Flooring repairs and carpeting in the education building
- All lighting fixtures upgraded to current technology
- Refurbishing a parsonage bathroom
- Replacement of parsonage side porch steps, walk, and railings

*The Finance & Stewardship Committee, with the approval of the Administrative Council, invites you to continue contributing to the Capital Campaign so we can address the remaining projects and restore our reserve fund for future emergencies.*
